
ELISA quantitation kits

Agrisera ELISA assays utilize the principle of competitive binding to measure the concentration of a compound of interest in analyzed samples. Agrisera offers ELISA kits to Abscisic acid, plant toxins, Rubisco and Vitamin A.

Abscisic acid ELISA kits

Product name.....	Product number
ABA Abscisic acid ELISA quantitation trial kit (24T).....	AS20 4392-24
ABA Abscisic acid ELISA quantitation kit (96T).....	AS20 4392
ABA Abscisic acid ELISA quantitation kit (5x96T).....	AS20 4392-5x96

Plant toxin ELISA kits

Product name.....	Product number
Aflatoxin B1 ELISA quantitation kit.....	AS20 4397
Aflatoxin M1 ELISA quantitation kit.....	AS20 4394
Total Aflatoxins ELISA quantitation kit.....	AS20 4395
Tylosin ELISA quantitation kit.....	AS20 4396
ZEA Zearalenone ELISA quantitation kit.....	AS20 4393

Rubisco and Vitamin A ELISA kits

Product name.....	Product number
Plant Vitamin A ELISA quantitation kit.....	AS15 3024
Rubisco ELISA quantitation kit.....	AS15 2994
